It happens to us every morning as we're commuting to work, we doze off and imagine we're among a throng of tanned, lean bodies flocking to the beach. A surfboard is under our arm.

This summer, stop daydreaming, get your boss to approve your time off, and catch the next flight out of town -- we've shared our favorite spots to practice the most popular, coolest summer sport. And whether you are an experienced surfer or just looking to learn, rest easy: we've got you covered.

Where to Stay in Punta Mita: Hotel Cinco

Hotel Cinco is a 12-suite luxury boutique hotel on the beach, with two pools, a gym, and the Punta Mita branch of Puerto Vallarta's finest restaurant, the Café Des Artistes, on the ground floor. For those seeking a luxurious Punta Mita vacation without fencing themselves off from Mexican reality, this is the ideal pick. [See more photos](#)
